

Introducing....

THE sCOOL STATION

Personalisation

Add your school logo, motto or a note from a teacher

Make it yours

Customise your Station for your school and give students ownership of the initiative

Easy Access Equipment

Bags and pickers are accessible from both sides, perfect for larger groups of students.

Bag slots

Fun and secure storage using a token rail system; each slot holds up to 10 bags

2 Design options

Primary or secondary style – pick the one that suits your school best.

Choose from a yellow or blue frame as standard, or specify your own school colour for an extra £50

Fun, Inspiring Graphics

Bright images encourage students to take part and stay engaged.

Simplified wording

Clear, simple wording designed specifically for younger users.

Hand Sanitiser Included

Conveniently positioned for students to stay safe while they take action

Removeable litterpicker holder

Each holder holds 7-8 litterpickers, and can be easily and quickly removed and stored when not in use

Bigger & Built for Students – Larger than our original Re:Stations to hold more equipment. Wall-mounted at 850mm to suit smaller users, with overall dimensions of 750mm x 1200mm

Cost

£500 - includes FREE personalisation and 15 FREE reusable bags

£150 Optional - starter kit of 15 child-sized pickers

£25 - Delivery

****Prices are ex. VAT****
